

Boothbay Harbor Country Club Dress Code

The Dress Code standards have been established to compliment your overall experience at Boothbay Harbor Country Club. Our staff members are here to answer any questions you have about the dress code and they have been directed to gently remind those who accidentally forget or are uninformed of the standards. Management reserves the right to define “inappropriate” attire. We hope that the following guidelines will assist you in making your time spent at the Club as comfortable and pleasurable as possible.

Paul’s Steak House

While jackets are not required, proper country club attire welcomes jackets as a most acceptable accessory to one’s outfit at Paul’s Steak House. Appropriate attire for men includes business slacks and collared shirts. No shorts, no golf shoes, and no sneakers are permitted. Linen or Satin type of shirts are not required to be tucked-in, though golf shirts must remain tucked-in at all times. Examples of acceptable attire for women include business slacks, dress Capris, dresses, skirts and dress shorts with a minimum 5” inseam. With the exception of tube tops, halter tops, or spaghetti straps, acceptable tops can be tailored shirts, blouses, high-quality shirts and sweaters. Well behaved children are welcomed in Paul’s Steak House and their attire should reflect the same requirements set for adults.

Golf

Proper golf attire is required at all times on the golf course, at the driving range and at the short-game practice areas (including the practice greens). The dress code applies to all guests and children. Athletic shoes (including sneakers) are required on the golf course, at the driving range and at the short-game practice areas (including the practice greens). Metal spikes are not permitted anywhere on the premises of BHCC. The professional staff has been instructed to strictly enforce the dress code and refuse an improperly attired golfer (Member or guest) the right to play or utilize the practice areas. Members and guests will be provided with acceptable clothing alternatives available for purchase in the golf shop.

- **Men:** Proper attire is a golf shirt and long pants or long (Bermuda length) shorts. Golf shirts must be designed with a collar and must be tucked in. Caps are to be worn brim forward. Cargo shorts, denim fabrics and tennis and swim attire are not permitted.
- **Women:** Proper attire is a golf shirt with slacks, golf shorts and skirts, skorts and/or capris. Golf shirts may be with or without sleeves and with a collar. Caps are to be worn brim forward. Halter tops, track suits, cargo pants, tank tops, denim fabrics, tennis and swim attire are not permitted.

The Dress Code is applicable to children age 12 and above; however, parents are responsible for ensuring that all children under 12 are appropriately and neatly dressed while on the premises. Blue jeans are not considered appropriate country club attire for adults or children.
